What else should I know?

Because of your operations, or actions, you are open for possible suit from Third Parties. You may not be liable but you will need to be defended in court. A liability policy pays for this defence as well as any costs found against you. Legal fees can be very expensive and this can be an affordable way to have them covered. This policy covers your legal liability for bodily injury to or damage to property of others such as spectators, passers-by, property owners and others resulting from your activity. **This policy provides Commercial General Liability in the amount of \$2,000,000 per occurrence and all claims are subject to a \$500 deductible. This policy also includes Host Liquor Liability for those events where liquor is dispensed. Underwritten by AVIVA Insurance Company of Canada.**
