Epistle: **Ephesians 5:9-19** on page 448

...the fruit of the Spirit is in all goodness, righteousness, and truth....

Gospel: **Luke 12:16-21** on page 172

The rich man is a fool, despite his material success, because he vainly puts all his trust in his possessions rather than in God. To be *rich toward God* (v 21) is to have a life of close communion with Him through faith and works.

December 4th : Entrance into the Temple of Our Most Holy Lady, the Mother of God and Ever-Virgin Mary

Epistle: ([Hebrews 9:1-7](#)): *Brethren*, now even the first covenant had regulations for worship and an earthly sanctuary. For a tent was constructed, the first one, in which were the lampstand, the table, and the bread of the Presence; this is called the Holy Place. Behind the second curtain was a tent called the Holy of Holies. In it stood the golden altar of incense and the ark of the covenant overlaid on all sides with gold, in which there were a golden urn holding the manna, and Aaron's rod that budded, and the tablets of the covenant; above it were the cherubim of glory overshadowing the mercy-seat. Of these things we cannot speak now in detail. Such preparations having been made, the priests go continually into the first tent to carry out their ritual duties; but only the high priest goes into the second, and he but once a year, and not without taking the blood that he offers for himself and for the sins committed unintentionally by the people.

Апостол: (Євр 9,1-7): Браття, перший завіт мав також свої установи щодо служби і святиню земну. Споруджено бо перший намет, де були світильник, стіл і хліби появлення: він зветься «Святе». За другою ж завісою був намет, званий «Святе Святих», із золотим жертвником для палення пахучого кадила та кивотом завіту, цілковито покритий золотом; в ньому був золотий посуд з манною, розцвіле жезло Арона й таблиці завіту. А зверху над ним херувими слави, що крильми отінювали віко. Але про це не час тепер говорити докладно. І при такому влаштуванні всього цього в перший намет увіходять завжди священики, виконуючи служби, в другий – раз на рік – лиш архиерей, і то не без крові, що її він приносить за свої і людські провини.
