My great desire is to be a person. We meet many individuals but not many persons among them, that is, people in the best sense of the word. It's difficult to describe what we mean, but we can say that a person is a human being who, if not in all aspects, certainly in many, makes an impression on us. After meeting such a person you leave their presence a better person yourself. Patriarch Liubomyr

“Моє велике бажання – бути людиною. Багато зустрічаємо осіб, але мало серед них людей – людей у повному значенні того слова. Дуже важко визначити, що це таке, але можна сказати, що людина – це особа, яка якщо не під кожним, то під багатьма оглядами справляє на нас враження. Після того, як ви з такою людиною зустрілися, ви відходите від неї кращими....” Патріях Любомир
